

SEWA - What does it mean to you?

I feel sewa means to serve like at home, or serving and helping others and the Lord. Sewa means to serve without expecting anything from the other person, all you need to do is give.

S - serving

E - everyone

W - with

A - affection

I feel that sewa would be the best way to be good. You can be sharing and kind that's the same as doing Sewa.

Sewa can attract people's attention to become friends or join you for the good cause. Sewa makes you happier and more satisfied.

Sewa will take you to the stage of goodness. It doesn't matter who you are, all you need to do is serve. Sewa doesn't ask appreciation and never boast that you did sewa. Trees are the best example of doing selfless service as they just give.

Thank you!
